Next Meeting Wednesday 6th May 2020

1. **Coronavirus** As a day service it is our upmost priority to keep our service users and staff safe and healthy. We will be following the guidelines set out by the NHS. When coughing and sneezing please use a tissue then BIN IT & WASH YOUR HANDS. Also thoroughly wash your hands with antibacterial hand soap before every break time and before lunch. We are regularly disinfecting worktops and handles. If anybody does come into contact with the Coronavirus please report it to me asap.
2. The decking and benches have been replaced at the workshop. Well done to everyone who helped.
3. RESPITE AND SUMMER HOLIDAYS. Please let us know asap regarding holidays and respite. The more notice we have the easier it is for our staff to book their annual leave.
4. Kindling wood has sold well in the last couple of months. Well done. Now we need to restock.
5. A London trip was asked for by a few service users, I will arrange this but due to Congestion and ULEZ charges this will be a more expensive trip.
6. It is not advisable to bring I pads and laptops into the workshop. if you do it is at your own risk.
7. Please note from time to time the rotas and trips out change at late notice due to many different reasons. If you cannot accept a change in trips I would advise not booking yourself on trips out.
8. We now have a cleaner coming in on the weekend.
9. When working on the farm be prepared for all weather working.
