Meeting Thursday 5th September 2019

Next Meeting Friday 1st November 2019

1. Social evening at the farm was a great success lots of people attended. Thank you.
2. Welcome to Ed, Luke and Gary John. Who have recently join sspw.
3. Lots of trips and meals suggested.
4. Talked about service users who like to do their own projects. This isn't a problem but please remember the staff are there to teach skills and encourage independence and cannot be getting tied up with personal projects. We will give advice but please only brings projects in that you are able to manage yourself.
5. Due to sea weather conditions mackerel fishing was cancelled, we will aim to rebook for the start of October. Failing that a refund will be issued.
6. Mobile phones and electrical devices are only to be used during break times.
7. Wood benches need to be topped up weekly, and working as a team to do this will be quicker and easier. Without keeping the benches topped up we will run out of dry wood for kindling.
8. A request for some new glue sticks. I will order some.
9. Trips out are to be enjoyed as a group failing to stay with the group will result with not being able to attend the trips.
10. Joke "what is a pirate's favourite letter"?..... "you would think its Rrrrrrr but its sea"
11. Over the last month the Church next to the workshop has been having a new roof. This has resulted in some of our yard being out of use.
12. A couple of people have asked to go sailing. If you are in on a Tuesday there is 8 more sessions this year please let me know if you would like to go.
13. The workshop has recently purchased a new camera.
14. We will be open 23rd and 24th December if you **do not** require a service please let us know asap.
